Cool Chemistry is a FREE event! Doors open 45 minutes prior to each show, and only the first 350 people will be admitted to each show. For a chance to be a volunteer participant, pick up a ticket at the door. Slime making after each show.

Each show will run 45-60 minutes. The 4:30 pm show is geared to children 3-8 years of age. The 6:30 pm show is geared to children ages 9 and up. Families are asked to attend only one show.
